

The Mission of Eating Recovery Center is to provide the very best care to patients, families and providers of care in the treatment of, and recovery from, eating disorders and related conditions.

- Eating Recovery Center (ERC) is the only national, vertically integrated, health care system dedicated to the treatment of serious eating and related disorders at any stage of the illness. Partnering with ERC, Insight Behavioral Health Centers offers best-in-class mood, anxiety and trauma-related recovery programs.
- Led by the world’s leading treatment experts, ERC provides a full spectrum of eating disorder and mood, anxiety and trauma-related recovery services through an unmatched network of multiple locations across seven states.
