

PROGRAMS AT A GLANCE

Eating Recovery Center (ERC) and Pathlight Mood & Anxiety Center (Pathlight) provide a full spectrum of behavioral health services through an unmatched national network of multiple locations.

ERC specializes in treating patients struggling with eating disorders (ED) including anorexia nervosa, bulimia nervosa, diabulimia, binge eating disorder, avoidant restrictive food intake disorder (ARFID) and co-occurring conditions.

Pathlight specializes in treating patients struggling with mood and anxiety disorders (M&A), trauma-related disorders and co-occurring substance use disorders.

ERC and Pathlight provide intensive treatment programs tailored for patients of all ages, ethnicities, gender identities and expressions designed to illuminate their unique path forward and provide them with a foundation for long-lasting mental wellness.
